

Life Long Learning Potential

University "Fan S. Noli" Korce,
Albania

Prof.asc.dr. Gjergji Mero, Ardian Cerava
Sarajevo, 25-26 Feb 2015

UNIVERSITY HISTORY

“Fan S. Noli” University is an educational institution, and the scientific research center of the region, since 1971.

There are about 7000 students attending our university.

The academic staff consists of 200 full-time lecturers, professors and assistants and of about 170 part-time academic staff. There are also 70 employees in administration and in labs as labs assistants.

The majority are young people, who have qualifications in Albania and abroad.
