

Threats and important steps in developing LLL programmes

Group 3

Threats

- Lack of time for promotion
- Lack of money for promotion
- Long period for accreditation process
- Attracting the target group for the study
- Financing the cost of study
- Motivation of teachers (salaries)
- Funding – starting the program

Important steps

- Procedure/Guidelines for establishment of the study
- LLL office at Faculty ?
- ECTS, Certificate or something else depending on target group
- Idea from the Institute/Department to the LLL office – the flow sheet (same procedure for all ECTS programmes)
- Example of LLL office help:
 - Help to develop the curriculum
 - Help with regulation
 - Calculate the financial background for the program
 - Administrative help when already start the program
