

„Lifelong learning for sustainable agriculture in Alps-Danube-Adriatic Region – LifeADA”

INTRODUCTON TO GROUP WORK

Project coordinator: Prof. Renata Bažok, Ph.D.
University od Zagreb Faculty of Agriculture
Wednesday, February 26, 2015, Hall II

Group I

To identify the priorities in the LLL needs accros the region

- Use ppt on needs and analyse them – analyse each group separately (farmers, high school teachers and administratives)

Group II

To identify five most important potential for each institution

- Use ppt on potentials and extract five most important potential of each partner

Group III

Based on the case studies identify possible threaths and important steps in developing LLL programmes

Group IV

Discuss and try to give suggestions how to involve National Authorities into the creation of national strategies
