Personal information

First name(s) / Surname(s)

Marija KLOPČIČ

Address(es)

Ljubljanska c. 4, 4220 Škofja Loka, SLOVENIA

Telephone(s)

+386 1 3203 855

Mobile: +386 41 546 484

Fax(es)

+386 1 7241 005

E-mail

Marija.Klopacic@bf.uni-lj.si

Nationality

Slovenian

Date of birth

24.05.1962

Gender

Female

**Desired employment /
Occupational field**

Animal Husbandry, Cattle Breeding, Animal Genetic Resources and Knowledge Transfer

Work experience

- Researcher and Teaching of the Animal Husbandry, Cattle Breeding, Animal Genetic Resources and Knowledge Transfer
- Professional work as Manager of Slovenian Holstein Association in Cattle Breeding
- Experiences as an Deputy project manager in different Twinning and other international EU projects

Dates

- from 1987 till 1990 Young researcher in the area of genetics and breeding
- from 1991 till 2000 Technical assistant in the area of Animal Husbandry and Breeding
- from 2000 till 2008 Teaching assistant of the Animal Husbandry and Breeding
- from 2008 onwards Assistant Professor – Senior Researcher on Animal Husbandry, Cattle Breeding, Animal Genetic Resources and Knowledge Transfer

Occupation or position held

Assistant Professor – Senior Researcher in Animal Husbandry, Cattle Breeding, Animal Genetic Resources and Knowledge Transfer at the Department of Animal Science, Biotechnical Faculty, University of Ljubljana

Main activities and responsibilities	<ul style="list-style-type: none"> - Giving practical lessons for: <ul style="list-style-type: none"> o Organic Animal Production (Faculty of Agriculture and Life Sciences, University of Maribor) o Transfer of knowledge to the practice (Biotechnical Faculty, Department of Animal Science, University of Ljubljana) o Sustainable Animal Production (Biotechnical Faculty, Department of Animal Science, University of Ljubljana) o Cultural heritage in agricultural (including mountain pasture and Alpine dairy-farming) (Biotechnical Faculty, Department of Animal Science, University of Ljubljana) o Management and Breeding of High-Producing Dairy Cows (Biotechnical Faculty, Department of Animal Science, University of Ljubljana) o The construction of sheds and equipment (Biotechnical Faculty, Department of Animal Science, University of Ljubljana) - Manager of Slovenian Holstein Association and Responsible person of approval Breeding programme for Holstein breed - Manager of Young farmers club at Slovenian Holstein Association - Researcher in area Cattle Breeding, Animal Genetic Resources, Management and Knowledge transfer
Name and address of employer	University of Ljubljana, Biotechnical Faculty – Department of Animal Science Groblje 3, 1230 Domžale, SLOVENIA
Type of business or sector	Education & Research in Livestock Production
Education and training	
Dates	2000 - 2004
Title of qualification awarded	PhD
Principal subjects/occupational skills covered	Thesis Title: "Optimization of milk recording practices in dairy cows"
Name and type of organisation providing education and training	University of Ljubljana, Biotechnical Faculty, Ljubljana, Slovenia
Level in national or international classification	ISCED 6
Dates	1987 - 1990
Title of qualification awarded	Master of Science in Agriculture
Principal subjects/occupational skills covered	Master Thesis: "Influence of different kind of samples to the determinations of fat and protein content in milk"
Name and type of organisation providing education and training	University of Ljubljana, Biotechnical Faculty, Ljubljana, Slovenia
Level in national or international classification	ISCED 6
Personal skills and competences	Over 20 years of experiences in teaching, research and professional work in animal science. Specialist in cattle production, with particular expertise in cattle breeding, genetics and practical implementation of production systems on farm. More than 20 years of professional work with dairy farmers and young farmers in Slovenia.
Mother tongue(s)	Slovenian

(*) [Common European Framework of Reference for Languages](#)

Social skills and competences

- Team work: I have worked in various types of teams from research teams to national Holstein Farmers group. For more than 30 years I lead church choir.
- Communication skills as part of work with students, researchers, extension people, veterinarians, farmers
- Coaching of process (with using of ISM tools, focus groups, working and study groups)

Organisational skills and competences

- Capacity to organise local, national and international conferences, meetings, trainings, seminars, workshops, cattle shows, photo exhibitions, exhibitions and tasting of local food products
- Organiser of International Summer School for Young Breeders on topic "Show and Showmanship" (in 2011, 2012, 2013)
- Organiser of different local, regional and national Cattle show where young farmers promote their knowledge, skills and present animals on the shows
- Team leader of young farmers group to prepare and present Slovenian Holstein cows on the European Holstein Show in Cremona (2010) and in Fribourg (2013)
- Secretary of Organizing Committee of International Conferences: in 2000 ICAR conference (500 participants) and in 2004 EAAP conference (more than 1000 participants)
- Experiences with management of national and international projects (Twinning projects, Interreg projects, EU FP6, EU FP7, Leonardo da Vinci-Transfer of Innovation projects)
- Project management

Technical skills and competences

- Knowledge of Legislation in Zootechnics, Animal Genetic Resources, Organic agricultural and food quality products (Quality schemes)

Computer skills and competences

- Competent with most Microsoft Office programmes (Word, Power Point, Excel) and some experiences with HTML
- Basic knowledge computer programme for work with data bases (Access)
- Using of statistical packages (SAS, SPSS, STATISTIX)

Artistic skills and competences

- Playing the organ (finished music school)
- To lead the singing choir
- Singing in choir

Other skills and competences

- Experiences with knowledge transfer and trainings of farmers
- Secretary of Cattle commission of EAAP (European Association for Animal Production)
- Member of Ethics and Welfare Working group of EAAP
- National representative and coordinator of ICAR (International Committee for Animal Recording)
- Manager and professional co-worker of Slovenian Holstein Association
- Manager of Young breeders club of Slovenian Holstein Association
- National representative and coordinator of European Holstein and Red-Holstein Confederation (EHRC)
- National representative and coordinator of World Holstein Friesian Federation (WHFF)
- Member of Slovenian National Dairy Federation (IDF)
- Editor of EAAP Technical Series No. 8 “Farm Management and Extension Needs in Central and Eastern European countries under the EU milk quota”
- Editor of EAAP publication No. 117, 2005 “Knowledge Transfer in Cattle Husbandry – New management practices, attitudes and adaptation”
- Editor of EAAP publication No. 126, 2009 “Breeding for Robustness in Cattle”
- Editor of EAAP publication No. 133, 2013 “Consumer attitudes to food quality products”
- Editor of SUBSIBREED Book: “Proper way of supports for endangered livestock breeds” – as part of activities of European Regional Focal Point for Animal Genetic Resources (ERFP)
- Research associate in the project Interreg “ALPINET GHEEP” - ALPINE NETWORK FOR SHEEP AND GOAT PROMOTION FOR A SUSTAINABLE TERRITORY DEVELOPMENT”
- The Deputy Project Manager of bilateral PPA project Slovenia – The Netherlands: Improving Slovene knowledge on good practices in food quality with emphasis on special products”
- The Deputy Project Manager of Twinning Slovenia: “Helping Farmers and supporting institutions to quota regulations in adjusting to the EU supply management resources”
- The Deputy Project Manager of Twinning Slovenia: “Strengthening the implementation of Cross-Compliance”
- The Deputy Project Manager of Twinning Slovenia: “Implications of current and new regulations concerning food quality products for administration and practice”
- National contact point of EU FP7 project FOCUS BALKANS: Food consumer science
- National project leader of Leonardo da Vinci project: Interactive Strategic Management Methodology for improvement of agricultural entrepreneurship in Central-Eastern Europe
- National contact point of EU FP7 project CLYMBOL: Role of health-related claims and symbols in consumer behaviour
- National contact point of EU FP7 project REDICLAIM: REduction of Disease risk” CLAIMS on food and drinks

Driving licence
